

tesa® 4369 UV

Masking film with special Outdoor Cloth tape

Easy Cover® 4369 UV is a combination of an environment-friendly HDPE film and a UV resistant cloth tape for the masking of large areas in one working step. Once applied it can easily be removed even after 2 weeks of outdoor application without leaving residues.

It allows safe and precise fixation on even and slightly rough surfaces. The embossed film avoids paint bleeding or leaking to the protected area.

Easy Cover 4369 UV can be used indoors and outdoors.

Main Application

It is especially suitable for the masking of windows, balcony balustrades, doors and large facade parts
